Prague (CZ), 15.09.2018

AGE Platform General Assembly Bruxelles, 6 june 2018

- The discussion was connected to how, concretely, policies and legislation could better contribute to allowing older people to enjoy their right to autonomy and independence.
- The conference explored how care and assistance services can support older people to live in dignity and as autonomously as possible, including those who have a life-threatening condition and require palliative care.
