- How to Get Paid by the State for Taking Care of a Family Member**

www.healthline.com • 30 Sept, 4:58 PM • 151.802.000 visits • 10/10 performance score • 75901 reach

If your loved one is not eligible for Medicaid or they are not associated with the military, you can explore other funding alternatives. For example, some states may provide paid family leave for you to take time off work to care for a loved one with pay. In addition, certain long-term care insurance policies may offer payment to you as your loved one's caregiver, but the rules vary from plan to...
