Vision of the new education and preparation of the project

- Original E.D.E. training contained 9 modules and manager had to complete 600 hours of full-time education + 200 as e-learning or in the form of learning project
- The current form of education was inflexible and did not reflect new trends - it was based on the idea of 1993 and was last revised in 2008 => **new project in preparation since 2016 and submitted in the Erasmus call in Spring 2018**

Co-funded by the
Erasmus+ Programme
of the European Union

Key project's activities

- **3 focus groups in 3 countries (CZ, RO, AT)** – discussion about needs in professional education of managers in social services and proposals for new topics
- **Online survey among EAN members** – the aim was to verify the training needs also outside the countries involved in the project to make the curriculum interesting across Europe
- **4 personal and several online project meetings** – in order to coordinate the project and create a new curriculum design
- **Conferences and workshops** in Austria, Romania and the Czech Republic – dissemination the new EAN curriculum
