## AGE PLATFORM EUROPE PARTICIPATION

First part of 2019 AGE Platform Europe activities were focused on:

- Exploitation of different projects: MobilAge, ActivaAge, PACE, FrailSafe, only to make some examples
- Other big issue is connected to Brexit, concerning specifically UK members
- On the other side, we are studying different ways to enlarge the number of the countries and the number of members
- We decided to add - in an extraordinary way – a special fee for 2020 connected especially to Brexit

## AGE PLATFORM EUROPE PARTICIPATION

First part of 2019 AGE Platform Europe activities were focused on:

- AGE is working on materials to be delivered to european parliament candidates to support activities towards the elderly, with the preparation of a toolkit
- AGE is working on eurobarometers connected to research datas in the field of elderly
- AGE is also working on the UN Open Ended working group activie at UN level
